We believe God wants us to pray PRAYER because He is present, He cares, He listens and He responds. If you have a specific need or praise, we'd like to be in prayer with you. We use a Prayer Wall on our website that allows us to instantly share requests and praises together and see in real time that we are being prayed with. If you'd like your prayer request to remain private and only go to our Elders and Prayer Team, then please check the box Private. Otherwise we will post your request/praise on our Prayer Wall this week. Thank you for sharing life with us! NAME: ADDRESS: PHONE: EMAIL: PRIVATE REQUEST/PRAISE:
